Hello families ☺

I am giving you some tips to help you role model the importance of reading to/with your child/ren!

-Read to your child a minimum of 20 minutes per day...it can be 5 minute intervals or 20 minutes all at once, whatever works within your family

-A child needs to have 1000 books read to them before they are ready to read themselves

-Recommended to read 3 books per day...a favorite, a familiar, and a new

-Reading is a great way to spend quality time with your child/ren

-And finally HAVE FUN when reading together ☺

Happy Reading!
